Here we are, already into the month of February. Not sure just how time can move so quickly, but it does. As I continue to look at the year ahead of us I realize we face many challenges. Some things look flat out impossible and I sometimes wonder if it is possible. Whenever I think that way I am reminded of a statement by Pearl S. Buck who said: "The young do not know enough to be prudent, and therefore they attempt the impossible - and achieve it, generation after generation." – I remind myself that we need the young who think out of the box. I also remember a piece of prose by Edgar Albert Guest – It couldn't Be Done.

Somebody said that it couldn't be done,  
But, he with a chuckle replied  
That "maybe it couldn't," but he would be one  
Who wouldn't say so till he'd tried.  
So he buckled right in with the trace of a grin  
On his face. If he worried he hid it.  
He started to sing as he tackled the thing  
That couldn't be done, and he did it.  
Somebody scoffed: "Oh, you'll never do that;  
At least no one has done it";  
But he took off his coat and he took off his hat,  
And the first thing we knew he'd begun it.  
With a lift of his chin and a bit of a grin,  
Without any doubting or quiddit,  
He started to sing as he tackled the thing  
That couldn't be done, and he did it.

There are thousands to tell you it cannot be done,  
There are thousands to prophesy failure;  
There are thousands to point out to you one by one,  
The dangers that wait to assail you.  
But just buckle it in with a bit of a grin,  
Just take off your coat and go to it;  
Just start to sing as you tackle the thing  
That "couldn't be done," and you'll do it.

But most of all I am reminded what the angel Gabriel said to the virgin Mary "nothing is impossible with God." Luke 1:37  
Keep praying and do not give up – God is at work!

Blessings,
